LETTER REGARDING LOST PRIORITY DOCUMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Office Action of December 23, 2003, Examiner Williams indicates that the priority document has not been received. By telephone on January 20, 2004, Examiner Williams confirmed that the priority document had not been entered as such, but thought that it might possibly have been entered, labeled as part of an Information Disclosure Statement. At the Examiner's suggestion, Applicant submits herewith a duplicate copy of the front page of the certified copy of Japanese priority application 2002-225669, that was originally submitted to the USPTO on August 1, 2003, together with the OIPE date-stamped filing receipt. The Examiner is respectfully requested to review USPTO files to see if the priority document has been entered, characterized as something else. If the priority document is found, the Examiner is requested to confirm receipt. If the priority document is not found, the Examiner is requested to contact Applicant's undersigned representative, so that proper acknowledgement of priority can be obtained.
